

Dear Alumni

You would feel proud and elated to find that your DAV Public School, Dhori has become a Centre of attraction in the township and the first and only choice of the Students, Parents and Guardian of this area.

Situated amidst sylvan, green lush forest, its beautiful edifice not only hosts around 3,000 students but also 80 creative faculties are working diligently to create a cheerful learning arena as set forth by Maharshi Dayanand Jee.

I am sure, wherever you are, you must have been maintaining the ethics of DAV as well as putting your pious endeavour in the development and growth of the company and the nation.

In this digital world, the universe has become small and easily accessible.

We, as an institution, appeal you all to be the integral part of **DAV DHORI ALUMINI ASSOCIATION** and may extend your assistance and expertise for better growth and grooming up of the needy students and in the enrichment of the resources to its pinnacle.

Let's nourish it with the best essence of your field to turn it into a **BANYAN TREE**.

With good wishes & congratulations.

Amitava Dasgupta

Principal

DAV Public School, Dhori, CCL
